The Southeast Regional ADHD Conference provides education, research and valuable information to professionals, service providers, parents and caregivers. This program, which includes top-tier experts and more than 20 presentations, would not be possible without the support of our sponsors and exhibitors. You will have the opportunity to share your resources, products and dynamic ideas with teachers, nurses, social workers, psychologists, doctors and parents.

Find out how you can help us build a better tomorrow for the youth of today.
