

ABOUT THE CLINIC

Founded in 1947, The Alabama Federal Tax Clinic provides quality educational service to CPAs and tax attorneys in the Southeast. Each year, the program is carefully planned by the Federal Tax Clinic, Inc. Board of Directors, comprised of members appointed by the Alabama State Bar, the Alabama Society of CPAs, and The University of Alabama. Using feedback from Clinic participants and their own expertise, the board has sustained and maintained a quality clinic for over 70 years! The Federal Tax Clinic is designed to meet the various professional development contact hours requirements of the Alabama Board of Accountancy, the Alabama State Bar and the Certified Financial Planner Board of Standards, Inc.
